I realised it was just a game.

I had lost my faith long ago.

I had lost my faith long ago.

I can't see that if I stay close to your side.
All of my pressures now, I know they will subside.

If ever you need me, yeah,

all you gotta do is fall. I hear you say_

that you got it all.
I had lost my faith long ago.

A stranger so it seems; I lie here for your touch. But what I’d like to know

is why do I want you so much? You say that’s all the same.
All through my life I have waited for you.

NO EASY WAY

Words and Music by Seal

1. Close your heart, close your eyes. Fake a kiss and
speak good-bye, when you know it's not the way, and you're leaving home today.

Anger rises, the deed is done.
Just to say you can't go on when you know that's not the way,

yet you're leaving home today.

If I see a tear in your eye, it's an easy way to say goodbye.
2. You're afraid, so you lie. Sometimes this will get you by, but you know that's not the way, and I trust you anyway.

Harmony, but not for long.

Plain to see we were doing something wrong, even though
you've gone a-way, I still love you.

But if I see a tear in your eye, it's an easy way to say

good-bye, oh, woh. To say

_ that’s not my way,
I was miss-ing you to-day._

Just to say that you can't go on and you know that's not my way,

'cause I still love you. After all we've said and done,

can't you see we can't go on 'cause God knows there's no easy way
to say good-bye.
